

WARRANTY

LINK[®] ULTRARIDE[®] CHASSIS AIR SUSPENSION

(READ ENTIRE WARRANTY)

Link UltraRide warrants their suspension's fabricated structural components against failure under normal use for a period of three (3) years or 75,000 miles*, whichever occurs first. This warranty period begins with the date of installation to the original owner. Under this warranty Link UltraRide will replace or repair any part that by its inspection is determined to be defective. In addition, for a period not to exceed twelve (12) months** Link UltraRide will provide a labor allowance, which it determines to be adequate to properly replace or repair defective structural parts and/or components.

All parts or components thought to be defective must be returned with company authorization, freight prepaid, to Link UltraRide. A complete written explanation of claimed defects and circumstances of failure, the serial number, and date of installation must accompany these returns. Link UltraRide must authorize labor allowance prior to initiation of repairs.

*Purchased components and/or accessories other than the fabricated structure are warranted for one (1) year or 36,000 miles, whichever occurs first. This warranty period begins with the date of installation to the original owner.

**Purchased components and/or accessories other than the fabricated structure are eligible for a warranted labor allowance for twelve (12) months or 18,000 miles from installation date.

LIMITATIONS

Link UltraRide accepts no warranty responsibility for:

- Incidental or consequential damages or loss of time or profits resulting from product failure.
- Damage resulting from owner or operator abuse, misuse or neglect.
- Failure due to improper installation.
- Component parts manufactured by others for Link UltraRide, beyond those companies' implied or expressed warranty.
- Compressor components under severe service applications - ask for details.

Suspension and axle must be operated within the range specified by axle and suspension manufacturers. Please check vehicle specifications and intended usage to insure axle will be within Gross Axle Weight Rating (GAWR). No alteration of any suspension component is permitted. Use of vehicle in any situation or condition in excess of GAWR will void warranty.

This warranty is in lieu of any other warranty, obligation, or liability on the part of Link UltraRide and no other person is authorized to make any representation or warranties beyond those expressed herein. All implied warranties of fitness and merchantability for any particular purpose are hereby excluded. There are no warranties of fitness which extend beyond the description on the face hereof.

This warranty does not apply to failures resulting from improper installation, neglect, accident, misuse or operation beyond the rated capability of the model or the vehicle to which it is attached, nor to any parts which have been altered or repaired without the written consent of Link Manufacturing, Ltd. In no event shall Link be liable for indirect special, incidental or consequential damages of any nature. The foregoing is Link Manufacturing's only warranty, and all other warranties, whether expressed or implied, including, but not limited to, the implied warranties or merchantability or fitness for a particular purpose, are hereby disclaimed.

INSTALLER AND END USER RESPONSIBILITIES

The Distributor/Installer is responsible for installing the product according to Link's procedures. The installer is also responsible (either directly or through it's dealer) for providing a copy of UltraRide's warranty and Owner's Guide to the end user, and for advising the end user of proper use, service and maintenance required for the product. The end user is responsible for operating, inspecting and maintaining the suspension according to the UltraRide Owner's Guide.
